A Textbook Of Ecotourism Eco restoration

Description : Ecotourism aims to focus the discussion of Ecotourism on the management and assessment of sites, destinations, communities and resources. The text can be used to give a theoretical underpinning to the subject and provide an applied perspective through the use of rich, varied and international case studies.

Ecotourism | Download eBook pdf, epub, tuebl, mobi

Mother facet of ecotourism is conservation and awareness. The link between conservation and ecotourism can be viewed as an economic safeguard: without taking the effort to protect the wildlife that attracts ecotourists, popular ecotourism destinations do not practice a sustainable business model. However, the staff at popular ecotourist destinations often take their duties to conservation one ...

conomic impacts of ecotourism on host desti-nations, including rural areas, and by reviewing sustainability indicators. This is followed by a series of chapters that con-siders aspects of planning, management and institutions, including those that are external to ecotourism itself. The theme of Section 7 is the business of ecotourism,

The Encyclopedia of Ecotourism

The term ecotourism, therefore, refers on one hand to a concept under a set of principles, and on the other hand to a specific market segment. The International Ecotourism Society (TIES) (previously known as The Ecotourism Society (TES)) in 1991 produced one of the earliest definitions: "Ecotourism is responsible travel to natural areas

ECOTOURISM - United Nations Environment Programme

ecotourism, which also shows that there is as such no absolute boundary between sustainable and unsustainable tourism (Eriksson, 2003). According to Weaver (2001); Ecotourism exists within the broader classification of tourism types which, at an initial level, can be divided into 'mass tourism' and 'alternative tourism' (Figure 1).
