Acupuncture Insurance Billing #1 - HealthCMI

Acupuncture is a technique where practitioners stimulate specific points on the body, most often by inserting thin needles through the skin. Things to know Acupuncture must be given by a doctor, or by another health care provider (like a nurse practitioner or physician assistant) who has both of these:

Acupuncture coverage - Medicare.gov

The next two codes are similar to the acupuncture codes only they account for the additional time and effort in the application of electroacupuncture. The 97813 code is for the first 15 minutes of electroacupuncture and the 97814 code is for the next 15 minutes of electroacupuncture, again with "re-insertion" as a requirement.

reporting and increases accuracy and efficiency. CPT and Digital Coding: This CPT section of Digital Coding contains four specific CPT code sections relevant to chiropractic services.

CPT - AAC Info Network

Currently there is no specific CPT code for dry needling, so this service should be billed with CPT code 97140. Unlisted CPT codes should not be used to bill for this service. If dry needling is performed on the same day as chiropractic manipulative treatment (CMT), Modifier 59 should be appended to 97140 so that it may be allowed for separate payment.

Dry Needling - Chiropractic Coding and Billing - ChiroCode

acupuncture The guideline under Acupuncture in the CPT manual states that the reporting of acupuncture is done in 15 min increments of 1 on 1 facetime, not the duration of acupuncture needle placement. 97810 sounds like it would be the code to choose. You must log in or register to reply here.
