Welcome to the CLIL Blog! This is the very first post on new part of the website and the beginning of another one of my CLIL projects. I look forward to supplying you with information regarding CLIL and in this specific article I would like to focus on CLIL lesson planning.

The six stages of a CLIL Lesson: Overview

“CLIL is a dual-focused educational approach in which an additional language is used for the learning and teaching of both content and language.” (EuroCLIC 1994) In simple terms, CLIL integrates both Content Learning and Language Learning. Using CLIL, students learn one or more of their school subjects in a targeted language, often

The CLIL Guidebook - clil open online learning

The CLIL lesson plan may be used in a secondary school since geography is a school subject and students are likely to have the necessary previous knowledge in their first language. Both approaches use different communicative strategies to engage students and make interaction meaningful.
