Derby #49 spon88, Dec 15, 2020. I haven't read the manual, maybe I should. My car, an M3P 2019, has a rated range of 310 miles (I think) but it's never showed that and I've never really expected it to. My expectation was based on what I learned from forums like this and a healthy disrespect of stuff like "rated range". To give another example, my car slider at 100% suggested 292 miles last ...

Born in Yuma, Arizona, to a Mexican American family, Chavez began his working life as a manual laborer before spending two years in the United States Navy. Relocating to California, where he married, he got involved in the Community Service Organization (CSO), through which he helped laborers register to vote. In 1959, he became the CSO's national director, a position based in Los Angeles. In ...
