Nurse instructors assist in the planning, development and instruction of nursing courses for an educational or medical program. They lecture on nursing topics, assign homework and oversee labs.

Nurse Instructor: Job Description, Duties and Requirements

IF YOU'RE LOOKING for a career that can impact the future of nursing, consider becoming a nursing instructor. Because of a serious faculty shortage, thousands of qualified applicants have been turned away from nursing programs in recent years.1 Almost three-quarters (71%) of nursing schools surveyed in one study cited faculty shortages as a reason for not accepting all qualified applicants.2
