Online Training Supporting Users and Troubleshooting ...

Hello, When i study to the first exam of MCDST, 70-271, i tought it was kind of good information. But now when i study for the last exam, 70-272, i think that the information are more basic then the last exam. But why so many questions about Word and binary codes? Why not Excel, PowerPoint etc..? · Not sure exactly what you mean, my apologies. However ...
