5.0 out of 5 stars 32  
inch Memorex lcd tv.  
Reviewed in the United  
States on March 2,  
2009. Verified  
Purchase. Out of the  
box this TV worked  
perfectly. The picture is  
beautiful. It is such a  
great deal to get 1080i  
at a lower price than  
720p sets. I would buy  
another one. Helpful.
