Buyology by Martin Lindstrom - Neuromarketing

Buyology: Truth and Lies About Why We Buy is a bestselling book by Martin Lindstrom, in which he analyzes what makes people buy. The author attempts to identify the factors that influence buyers' decisions in a world cluttered with messages such as advertisements, slogans, jingle and celebrity endorsements. Lindstrom, through a study of the human psyche, explains the subconscious mind and its role in deciding what the buyer will buy. Lindstrom debunks some myths about advertising and promotion.

Buyology - Wikipedia

Based on the single largest neuromarketing study ever conducted, Buyology reveals surprising truths about what attracts our attention and captures our dollars. Among the long-held assumptions and myths Buyology confronts: Sex doesn't sell - people in skimpy clothing and provocative poses don't persuade us to buy products.

Buyology: Truth and Lies About Why We Buy - Free For Book

So, if marketers want the naked truth—the truth, unplugged and uncensored, about what causes us to buy—they have to interview our brains. All of this is why, in 2003, I became convinced that something was fundamentally wrong with the ways companies reached out to customers, to us.
