important to use your code books and not use an encoder in this assessment.

Pediatric Inpatient Coding Skills Assessment

Many pediatricians are downright timid when coding our acute care notes for established patients. To upgrade your practice to v2.0, you need to maximize practice revenue by optimizing coding of visits so you can derive all appropriate charges per visit. In my experience, insurance companies pay \$50 to \$60 more for a 99214 than for a 99213 visit.
