Sustaining The Worlds Wetlands Setting

Written both as a textbook and as a professional reference book, Sustaining the World's Wetlands: Setting Policy and Resolving Conflicts contains detailed case studies of wetland management worldwide. Examinations of international wetland policy in Europe, Africa, Asia, and North America generate a discussion of the differences between wetland management issues in developed and developing countries, and culminate in suggested strategies for the future of wetland management.

Sustaining our Wetlands. On Thursday, February 2nd, 2017, the Ministry of Tourism, in partnership with the Bahamas National Trust, hosted a series of educational presentations at St. Paul's Methodist College and St. George's High School campuses, in recognition of World Wetland Day. Elsworth Weir, Senior Park Warden for the Bahamas National Trust, explained that the main purpose of educational presentations was to, "create an awareness about the importance of protecting our wetlands".

Sustaining our Wetlands | Tourism Today

A concerned citizens group focused on sustaining water ecosystems in Saskatchewan is calling on the provincial government to do more to protect wetlands, after the environment ministry announced a recent reclassification of 74,000 acres of Crown land. "We do not see this as a good news story. The ...
