The Beginning Dark Hunter 05

Reviewed for THC Reviews "4.5 stars" This short, thirty-page novella used to be considered the second story in the Dark-Hunter series, and that is the order in which I read it. It gives an introduction to Acheron, and tells how he became the leader of the Dark-Hunters. Despite it's brevity, I found the tale to be very engaging, something of a missing chapter in the saga.

The Dark Hunters work individually, each of them having a territory to watch over. They cannot be in close proximity to each other for more than a short amount of time without draining each other's powers. Also, any physical harm caused by one Dark Hunter to another will cause the first Dark Hunter to suffer the same physical pain or hurt tenfold.
