Welfare Policymaking in the States: The Devil in ...

Somewhat surprisingly, a group of conservative and liberal leaders (including President Ronald Reagan and then-Governor Bill Clinton) supported legislation that gave states the right to reform welfare rules — in return for welfare benefits, recipients would have to prepare to find work, but the system would also offer new employment services and other supports to help them do so.

Experimentation and Social Welfare Policymaking in the ...

This article reports findings from a survey of 257 state officials involved in public assistance policymaking in the American states during the early to mid-1990s. Respondents were asked to comment on the impetus for welfare reform, on methods employed to gauge public preferences, and on sources of policy ideas.

The Role of Public Input in State Welfare Policymaking ...

The welfare state is a form of government in which the state protects and promotes the economic and social well-being of the citizens, based upon the principles of equal opportunity, equitable distribution of wealth, and public responsibility for citizens unable to avail themselves of the minimal provisions for a good life. Sociologist T. H. Marshall described the modern welfare state as a ...

Welfare state - Wikipedia

Eventually, federal welfare programs used state programs as their bases. Before the Great Depression, there were relatively few welfare programs, and most of the existing ones were geared toward widows, orphans, or the elderly, but upon the election of Franklin D. Roosevelt, Congress sprang to enact emergency legislation to help out the massive unemployed.
